SPONSORSHIP & SUPPORT PROSPECTUS

The Mid-Atlantic Telehealth Resource Center invites you to join us at Kalahari Resorts & Conventions in the Poconos for #MATRC2024!

This year's Summit will be held April 14th - 16th, in-person only.

TELEHEALTH: Reimagining Care Beyond the Unwinding of the PHE

About MATRC

The Mid-Atlantic Telehealth Resource Center (MATRC) was established as one of the twelve regional TRCs in September 2011 with the mission of advancing the adoption and utilization of telehealth and telehealth best practices within the MATRC region. MATRC is committed to facilitating access to quality health care for rural and underserved communities and populations throughout Delaware, District of Columbia, Kentucky, Maryland, New Jersey, North Carolina, Pennsylvania, Virginia and West Virginia.

#MATRCSUMMIT2024

#MATRC2024 will gather healthcare pioneers, innovators, and professionals to explore the advancements and possibilities in telehealth beyond the year 2024. As we rapidly approach a time where telehealth is fully integrated into all of healthcare, we will be navigating the latest trends and best practices in telehealth implementation, remote patient monitoring, virtual consultations, and AI-driven healthcare solutions.

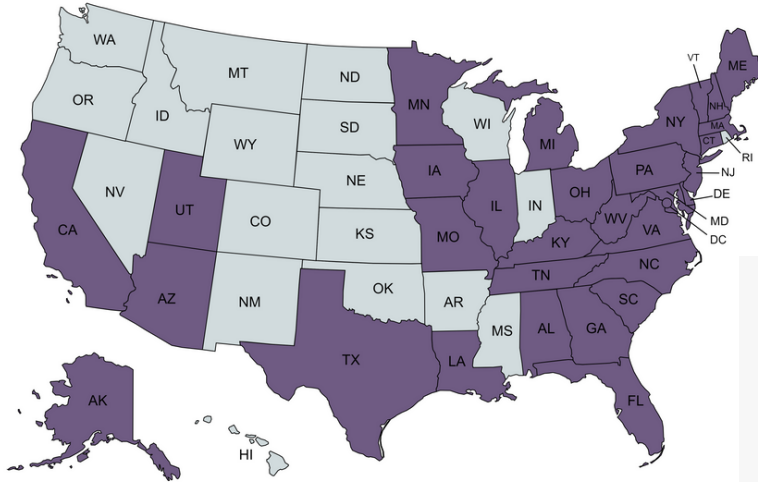

Through interactive workshops, panel discussions, and networking opportunities, we aim to foster collaboration and knowledge exchange, empowering attendees to embrace the full potential of telehealth for increasing accessibility, affordability, and quality of care for all.

“What a great intimate setting that was organized and facilitated by your peers in the telehealth industry. I was blown away by the level of interaction and participation from all involved. We appreciated the invite immensely and look forward to all of the follow up opportunities that were presented! It was well organized and attended! We are looking forward to next year!”

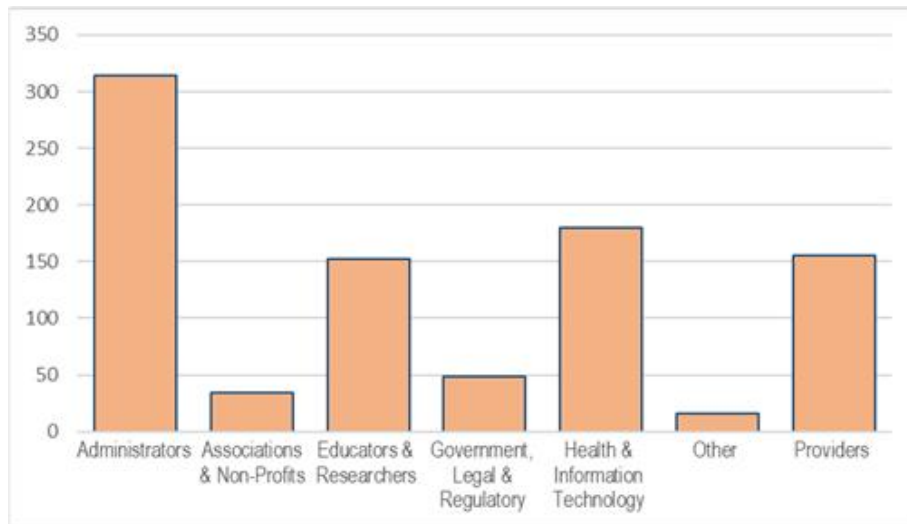

Attendees by location

MATRC Summit attendees go beyond the 9 states in the MATRC regions, and reach a variety of demographics nationwide.

Attendees by job focus

Sponsorship Overview

Our MATRC Summits are focused on the quality of connections that lead to continued discussions.

As a 2024 MATRC Summit Sponsor, you will have the opportunity to actively engage with over 300 telehealth professionals who are exploring ways to advance telehealth in their communities, both now and going forward.

As a full Summit participant and exhibitor, **included in all Sponsorship Levels**, you will immerse yourself in all Summit activities including:

- Sunday Welcome Reception - Join us as we kick off our 12th Annual Regional Telehealth Summit and celebrate the wonderful diversity of our telehealth community.
- Interaction with speakers and participants by fully participating in all keynotes, plenary and breakout sessions
- Meals (food and drinks are served in the Exhibitor area)
- Monday Networking Reception - meet up with your fellow telehealth professionals while enjoying hors d'oeuvres and using those drink tickets!
- Optional Networking & Awards Dinner Monday night (included with some sponsorship levels, and available for purchase with others)
- Customize your profile and optimize the MATRC Summit app to draw Summit participants directly to you

For questions or more information about being an exhibitor or sponsor at the Summit, contact: Anita N. Browning, Outreach Specialist, Mid-Atlantic Telehealth Resource Center (MATRC) Email: Anita.Browning@virginia.edu or Cell 434-270-5338
